

Clarification of Parking at the 2018 CTCI Convention

- 1. If you have paid to have your car in the show, there will be no charge to park your show car (Concours, Touring, Display, or Secured Thunderbird) with in and out access in the Holiday Inn Garage before and after the show. This also applies to those show cars belonging to owners staying at the Crowne Plaza up to the maximum of the Holiday Inn Garage. We think it will accommodate all vehicles, based on our current registrations and current projections. The process for guests not registered at the Holiday Inn to park their show cars in the Holiday Inn Garage is being developed. Both hotels will have daily in and out access for non-show cars via room keycard if you are registered at either hotel and have agreed to pay their parking fees. There is also a non-secured outdoor lot (Poplar Street) near the convention center where cars can park at no charge.**
- 2. If you are registered at the Crowne Plaza, and wish to park there, it will cost you \$10 per day. FREE trolleys run between the Crowne, the Holiday Inn, the KCC and downtown locations frequently. Transfers and/or a short walk between stops could be involved.**
- 3. There is also an outdoor city lot near the Knoxville Convention Center (KCC) where Convention goers can park their cars at no charge (Poplar St. Lot). This lot will only have security part of the time to insure usage is limited to Convention goers. It will also have posted signage that the lot is reserved for our Convention usage only. It is across the street from the KCC and a short scenic walk from the Holiday Inn lobby.**
- 4. Paid parking garages and surface lots are also available nearby KCC.**
- 5. Free trolley service is available for the downtown and campus area. Trolley maps, with times and routes, will be available and primary stopping places are close to the KCC, Holiday Inn, and Crowne Plaza entrances.**
- 6. The Holiday Inn offers free shuttle service within a 3 mile radius of the hotel. Crowne Plaza has no shuttle service.**
- 7. Transportation, to and from, is provided for all off site events (Smoky Mountain Adventures, Fashion Show/Luncheon; Volunteer Princess Cruise) so you will not need your vehicles for those activities; and, in fact, limited parking at their lots would preclude self-driving. We will be using a combination of buses, shuttles and trolleys to get you to the events.**
- 8. Security (uniformed City Employees) will be provided at the Trailer lot 24 hours a day beginning Tuesday morning and ending Sunday at noon. The Poplar Street surface lot will have security (uniformed City Employees) for four hours in the mornings when traffic is the heaviest beginning Wednesday through Saturday. Posted signage will identify that the parking lot is reserved for our Convention usage only. The Holiday Inn Garage is located beneath the hotel with access only through the hotel elevator/stairway (adjacent to the hotel desk and on closed circuit cameras) and the manned guard shack for vehicle traffic.**
