

Smoky Mountain Classic
Thunderbird Club...

is a not for profit organization based in the greater Knoxville, TN area. There were a total of 53,166 Classic '55, '56, '57 Thunderbirds produced during this period with well over 60% still registered and enjoyed by their owners and the public at large.

As the primary focus of the club is the restoration, reservation, and enjoyment of the Classic Birds, our events include tours, parades, public displays, technical sessions, and participation in Regional and International Thunderbird Concours events.
